Over Troubled Waters

The Restore the Delta organization has put together an incredible documentary showing the Delta and the value to all of us in San Joaquin County and the counties adjacent to the Delta. As you already know, there are those that want to bypass the Delta with two tunnels that would divert fresh water from flowing into the Delta. The Business Council has been working closely with the Restore the Delta organization and will continue to do so as long as it takes to fight off this water grab.

DON'T FORGET: Membership Dues Increase

At the May meeting of the Board of Directors, the Board decided that a small dues increase was warranted to help cover the costs of rising postage, envelopes and labels. Dues have not been raised for over 15 years! **Effective October 1, 2012**, dues will increase as follows:

Individual \$20
Family \$30

The student category will no longer be effective. Membership runs from January 1 to December 31 of each year. Please use the form below to pay for your dues now if you haven't done so!

If you pay by October 1, your dues will be applied to 2013 and you'll enjoy three (3) complimentary months of membership!
